Wanna discuss so just call when you have service

Wow

Ya she's super scared

Great time for us

Rather have her than Ryan lol

so crazy. Let me think about how to feel. Didn't even consider it

Yea

I mean if she cuts us in immediately it shows she's willing to drop her situation for us

But I told her this is an open book partnership and I need you to be confident as much as I am for it to work

And I also told her that if this happens I need full transparency
